

## APRECIADAS DURANTE SIGLOS, SIEMPRE EN FLOR

A Teofrasto, un alumno de Aristóteles, le encantaban. Confucio, el gran filósofo, les dedicó algunos poemas. Las orquídeas se han ganado el corazón de muchos durante siglos, y es probable que hoy también se ganen el tuyo. Mientras que otras orquídeas precisan toda la atención de sus cuidadores, las Orquídeas LEGO® resisten la falta de luz, no requieren humedad extrema y pueden florecer una y otra vez con muy poco esfuerzo.

No es posible construir simultáneamente los tres modelos.

## FLORES TAL COMO TE GUSTAN

El set incluye seis flores completamente abiertas y dos capullos más pequeños. Puedes modificar la longitud de los tallos y girar las raíces y las hojas para mantenerlas sanas, así como cambiar la imagen del conjunto simplemente recolocando las flores a tu antojo.

## IMPRESIONES DEL EQUIPO DE DISEÑO

Mike ha diseñado productos LEGO® durante más de 9 años. Crear la geometría de la maceta fue uno de sus desafíos favoritos al trabajar con este modelo. *"Diseñar orquídeas plantadas en una maceta estriada de color azul tenue que fueran hermosas a la vista, además de divertidas de construir, significó un emocionante desafío para mí. Tuve algunas orquídeas naturales en mi oficina para inspirarme, y debo admitir que las Orquídeas LEGO son mucho más fáciles de cuidar; definitivamente, te permiten disfrutar más de tu espacio".*

**Michael Psiaki, maestro de diseño**

En el centro de las flores hay elementos LEGO® que representan ranas: un homenaje a las ranas de color rosa usadas a modo de flores en el set LEGO Bonsái.

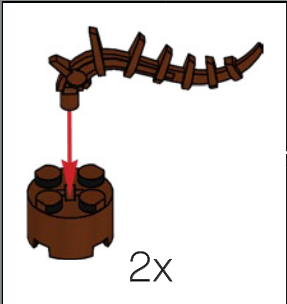

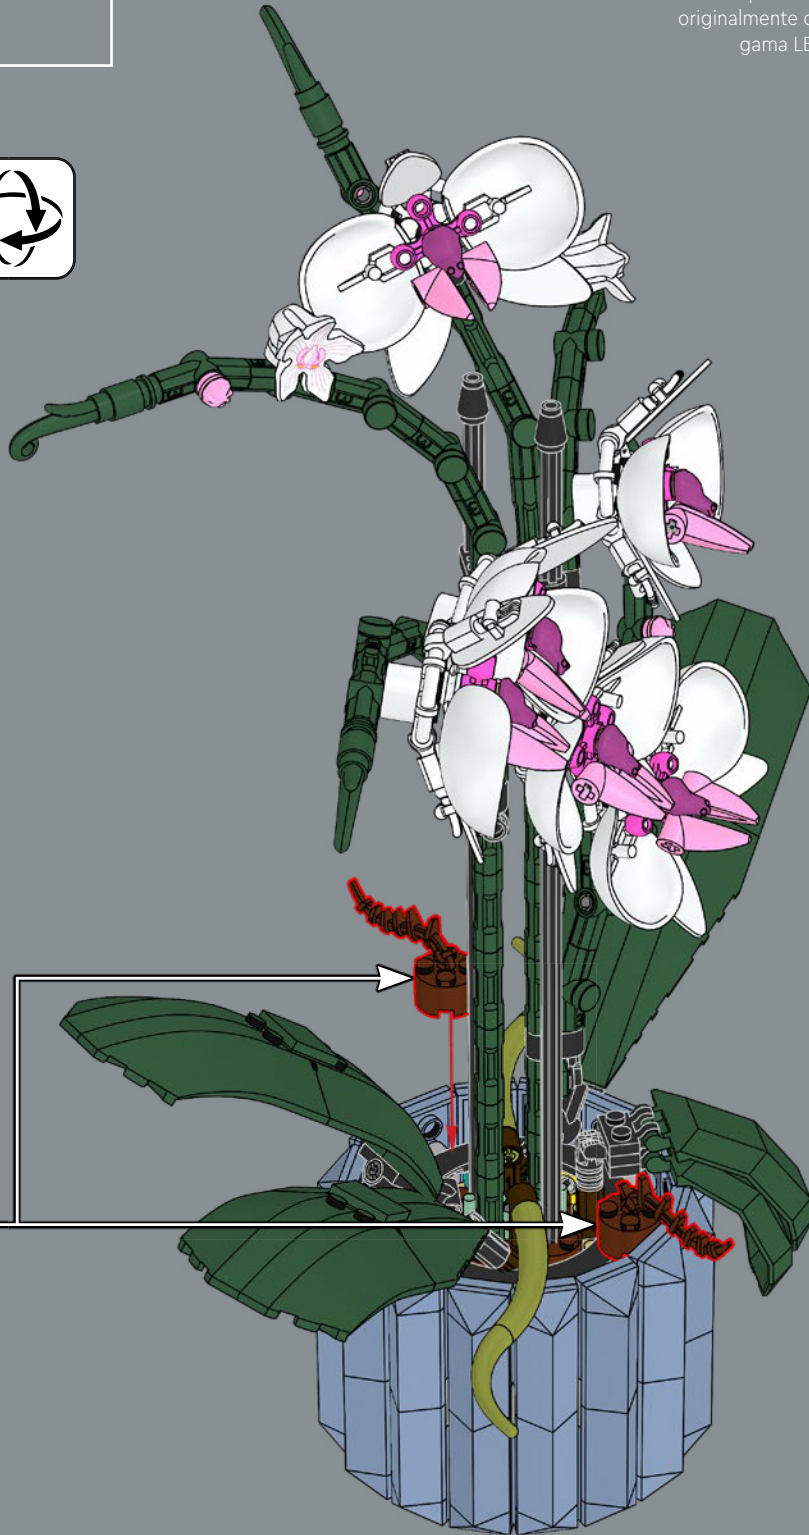

Los sépalos de cada orquídea están formados por escudos de minifiguras originalmente desarrollados para la gama LEGO® Castle de 1995.

95

A veces se coloca sustrato en las macetas antes de plantar las orquídeas con el fin de que existan una buena circulación de aire y un drenaje adecuado que mantengan sanas las raíces. Para recrear el sustrato, aquí se han usado elementos de los sets LEGO® NEXO KNIGHTS™ que representan garras.
