# LUKE SKYWALKER'S LIGHTSABER™

STAR WARS

The moment Obi-Wan Kenobi presents Luke Skywalker with the lightsaber that belonged to his father, we suspect (hope) that young Skywalker may, indeed, "follow old Obi-Wan on some damn-fool idealistic crusade." An elegant weapon meant for a more civilized age, it follows Luke on epic adventures across the galaxy, from the wampa cave on Hoth and duel with Darth Vader in *The Empire Strikes Back* to the notorious escape from Jabba's sail barge in *Return of the Jedi* – and beyond.

Now it's yours to display  
- and help you channel your own inner Jedi.

Enjoy building!

**Jens Kronvold Frederiksen**

Design Director & Creative Lead,  
LEGO® Star Wars™

## LE SABRE LASER DE LUKE SKYWALKER™

STAR WARS

Au moment où Obi-Wan Kenobi présente à Luke Skywalker le sabre laser qui appartenait à son père, nous soupçonnons (espérons) que le jeune Skywalker pourrait, en effet, « partir avec ce fou d'Obi-Wan dans quelque croisade idéaliste et périlleuse ». Arme élégante destinée à une époque plus civilisée, le sabre suit Luke dans ses aventures épiques à travers la galaxie, de la caverne du wampa sur Hoth au duel contre Darth Vader dans *L'Empire contre-attaque*, en passant par l'évasion de la barge à voiles de Jabba dans *Le Retour du Jedi*.

Maintenant, il est entre vos mains.

Servez-vous-en pour réveiller le Jedi qui sommeille en vous.

Bonne construction !

**Jens Kronvold Frederiksen**

Directeur de la conception et responsable de la création,  
LEGO® Star Wars™

## SABLE DE LUZ DE LUKE SKYWALKER

STAR WARS

Justo cuando Obi-Wan Kenobi le da a Luke Skywalker el sable de luz que perteneciera a su padre, comenzamos a sospechar (¡con nuestras esperanzas puestas en ello!) que el joven Skywalker "seguiría al viejo Obi-Wan en alguna loca cruzada idealista". Una noble arma concebida para tiempos más civilizados, acompaña a Luke en épicas aventuras por toda la galaxia, desde la cueva del Wampa en Hoth y el duelo con Darth Vader en *El Imperio Contraataca* hasta el inolvidable escape de la barcaza velera de Jabba en *El Regreso del Jedi*... ¡y muchas más!

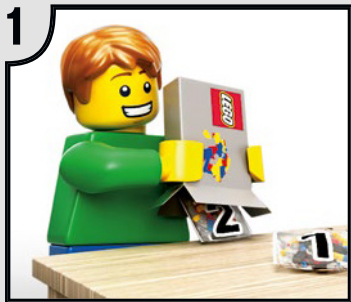

Ahora es tuya para que la exhibas...

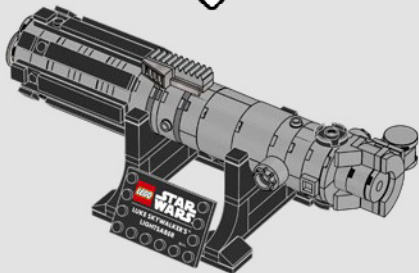

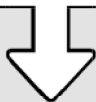

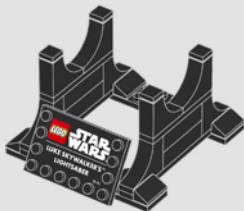

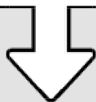

... y para ayudarte a canalizar al Jedi que llevas dentro.

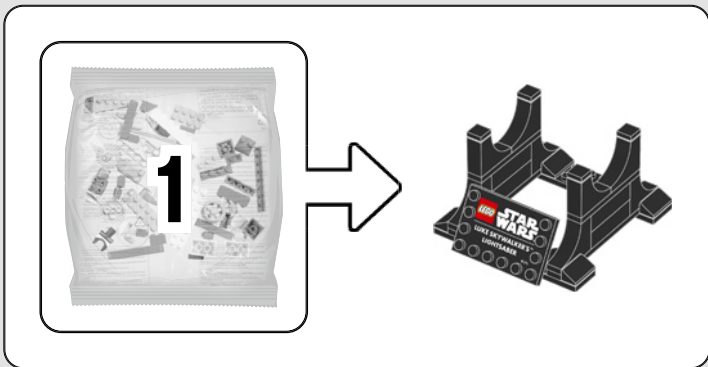

¡Que disfrutes construyendo!

**Jens Kronvold Frederiksen**

Coordinador de diseño y director creativo  
LEGO® Star Wars™
