LE MANOIR HANTÉ DU PARC DISNEYLAND®

Construit en 1963 et ouvert aux visiteurs téméraires en 1969, le manoir hanté du parc Disneyland® se dresse majestueusement au cœur de New Orleans Square. Les résidents spectraux veillent à ce que l'extérieur soit d'un blanc fantomatique impeccable, avec d'élégantes rampes en fer forgé en guise de décoration. La girouette sur le toit est un magnifique voilier.

Conçu à l'origine comme une maison hantée au bout de Main Street, U.S.A., le manoir est devenu une maison de retraite pour fantômes qui garantit « des portes et des planchers qui grincent » à tous les occupants potentiels. Des esprits surexcités se sont déplacés des maisons hantées du monde entier pour y passer leur dernier repos, et 999 joyeux fantômes y résident actuellement (mais il reste toujours de la place pour un millier !).

MANSIÓN EMBRUJADA DE DISNEYLAND® PARK

Construida en 1963 e inaugurada para sus osados huéspedes en 1969, la Mansión Embrujada de Disneyland® Park se erige majestuosa en New Orleans Square. Los espectros que la habitan se toman mortalmente en serio el mantenimiento del exterior en un impecable blanco fantasmal con elegantes barandales de hierro forjado como decoración. La veleta del tejado es un señorial barco de vela.

Originalmente concebida como una casa embrujada ubicada al final de Main Street (EE. UU.), la mansión se transformó en una residencia para fantasmas que prometía "puertas rechinantes y suelos chirriantes" a todos sus posibles inquilinos. Numerosos espíritus se mudaron aquí con entusiasmo desde casas embrujadas de todo el mundo en busca de su descanso final, con 999 felices fantasmas actualmente alojados (¡aunque siempre hay espacio para mill!).

DISNEYLAND® PARK HAUNTED MANSION

Constructed in 1963 and opened to daring guests in 1969, the Disneyland® Park Haunted Mansion stands as a majestic manor in New Orleans Square. The spectral residents are dead serious about keeping its exterior a spotless ghostly white, with elegant wrought-iron railings serving as an accent piece. The weathervane on the roof is a stately sailing vessel.

Envisioned initially as a haunted house at the end of Main Street, USA, the Mansion eventually transformed into a retirement home for ghosts which promised 'creaking doors and creaking floors' to all prospective tenants. Excited spirits relocated from haunted houses all over the world to make their final rest, with 999 happy haunts currently in residence (but there's always room for a thousand!).

The brave souls who make their way past the foyer will find a place filled with wall-to-wall creeps, endless hallways, stretching rooms and many other ghoulish delights. A mysterious Ghost Host offers up a spirited tour to guests as they explore, transporting them in a "Doom Buggy" through the mansion and into the gloomy graveyard beyond. Just beware of hitchhiking ghosts you find along the way, or one of them may follow you home!

Les âmes courageuses qui franchiront le seuil découvriront un endroit rempli de monstres, de couloirs sans fin, de pièces biscornues et de bien d'autres curiosités macabres. Un mystérieux hôte fantôme offre une visite guidée animée aux invités, les transportant à bord d'un buggy à travers le manoir jusqu'au lugubre cimetière. Méfiez-vous des fantômes que vous rencontrez en chemin, ou l'un d'eux pourrait bien vous suivre chez vous !

Las valientes almas que se atreven a pasar del vestíbulo encuentran un terrorífico lugar de pared a pared, pasillos interminables, salas que crecen y otras muchas maravillas sobrenaturales. Un misterioso anfitrión fantasma ofrece un animado paseo a los visitantes para explorar la zona, transportándolos en un "buggy maldito" por la mansión y el tenebroso cementerio que hay afuera. Solo ten cuidado con los fantasmas que puedes encontrarte haciendo autostop por el camino. ¡Podría ser que alguno de ellos acabe siguiéndote de regreso a casa!
