We're making our packaging more sustainable

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

Nous rendons nos emballages plus durables

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

Queremos hacer más sustentables nuestros materiales de embalaje

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

"Every hero needs an archenemy, and for Super Mario™, that's the King of the Koopas himself, Bowser. In our latest collaboration with the amazing designers at Nintendo®, we set out to create a Bowser LEGO® model that captures Bowser's memorable character design and larger-than-life personality, from his spiky green shell to his mischievous grin and fiery-red hair. Needless to say, he needed to be big. In fact, he's so big, we had to use new LEGO car, boat and spaceship parts to achieve shapes and features that would have been impossible to create just a few years ago. Go ahead, just try to grab him by his tail!"

« Tout héros a besoin d'un ennemi juré, et pour Super Mario™, c'est le roi des Koopas lui-même, Bowser. Dans le cadre de notre dernière collaboration avec les incroyables concepteurs de Nintendo®, nous avons entrepris de créer un modèle LEGO® de Bowser qui capture le caractère mémorable et la personnalité plus grande que nature de Bowser, de sa carapace verte piquante à son sourire malicieux en passant par ses cheveux rouge vif. Il va sans dire qu'il devait être imposant. Si imposant, en fait, que nous avons dû utiliser de nouvelles pièces LEGO de voiture, de bateau et de vaisseau spatial afin d'obtenir des formes et des détails qui auraient été impossibles à réaliser il y a à peine quelques années. Allez-y, essayez de l'attraper par la queue ! »

"Todo héroe necesita un archienemigo y, para Super Mario™, se trata de Bowser, el Rey de los Koopas en persona. En nuestra más reciente colaboración con los increíbles diseñadores de Nintendo®, nos propusimos crear un modelo LEGO® de Bowser que capturara el inolvidable carácter del personaje y su personalidad desbordada, desde su caparazón verde con picos hasta su mueca maliciosa y cabello intensamente rojo. Sobra decir que tenía que ser enorme. De hecho, es tan grande que tuvimos que usar nuevas piezas LEGO de autos, barcos y naves espaciales para lograr formas y características que habría sido imposible recrear hace solo unos pocos años. Adelante, ¡intenta tomarlo por la cola!"

THE WORLD OF BOWSER

Bowser, King of the Koopas, has been a royal menace ever since he first hit the Nintendo Entertainment System. But inside that spiky shell, just who *is* His Monstrousness, and what do we know about him? Well, aside from his fiery personality and intimidating laugh, one thing's for certain: Bowser is always up to something, which is usually bad news for the Mushroom Kingdom! If only that mustachioed fellow would stop getting in his way.

Super Mario 3D World™

LE MONDE DE BOWSER

Bowser, le roi des Koopas, est une menace royale depuis sa première apparition sur le Nintendo Entertainment System. Mais sous cette carapace piquante, qui est vraiment Sa Monstruosité, et que savons-nous de lui ? Outre son caractère de feu et son rire menaçant, une chose est sûre : Bowser manigance toujours quelque chose, au grand dam du Royaume Champignon ! Si seulement ce bonhomme moustachu arrêta de contrecarrer ses projets.

EL MUNDO DE BOWSER

Bowser, el Rey de los Koopas, ha sido una amenaza muy real desde su aparición en la consola Nintendo Entertainment System. Pero, dentro de ese caparazón con picos, ¿quién es en verdad Su Monstruosidad, y qué sabemos de él? Pues, además de su ardiente personalidad y su risa intimidante, una cosa es cierta: Bowser siempre trama algo, ¡lo que suele significar malas noticias para el Reino Champiñón! Si tan solo un simpático tipo bigotón dejara de interponerse en sus planes...

BOWSER A LO LARGO DEL TIEMPO

Bowser's ambitions go galactic in Super Mario Galaxy. This time, he intends to actually create his very own galaxy, with Princess Peach at his side. Naturally, this seems like a bad idea to Mario and co.

2007 | **Super Mario Galaxy™**
