# IT'S TIME TO BUILD YOUR STORY

The journey begins when you open the box. Find everything you need to build your story, and get ready to start building!

Take all the bags of pieces out of the box—you're almost ready to start building. Make sure you have your instructions handy!

Let's get organized! Take all the pieces out of the bags and lay them out where you can see them. Be careful not to lose any.

Pull the tab to take your American Girl mini figure out of the window.

## Meet Mia!

Girl of the Year® Mia St. Clair is passionate about figure skating. Gliding along the ice at the arena, she knows this is where she belongs. Even if mastering new jumps *does* mean she has to fall and get back up, again and again.

### **She's a girl with guts and grace.**

Mia is also a solid hockey player. She grew up playing with her three older brothers on the pond behind their house. Her brothers don't always understand her love for figure skating, but they're happy she's ready to take to the ice with them for a family hockey game today.

Mia's ready to play. "Come on you guys," says Mia.  
"You may be bigger, but I'm quicker!"

**Mia's not afraid to try, and try again.**

Whether she's figure skating or playing hockey, Mia knows that picking herself up after she falls is a sure way to improve. "No guts, no glory." says Mia. "That's our family motto!"

# YOUR BUILDABLE FIGURE

## DID YOU KNOW THAT YOU CAN PERSONALIZE YOUR AMERICAN GIRL MINI FIGURES?

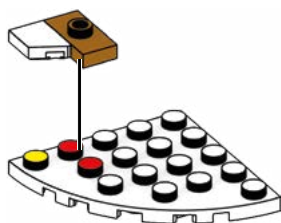

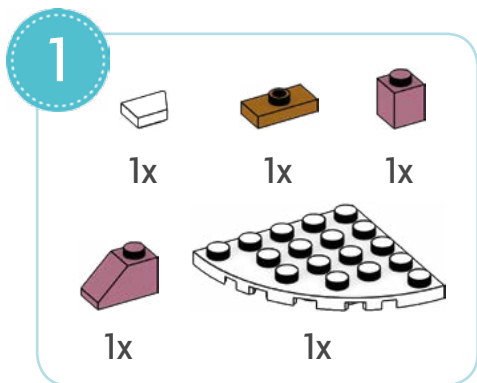

Collect them all, then mix and match pieces from each to customize them. Use the different parts and accessories to change their look and style. You can even create totally new characters that look like you and your friends!

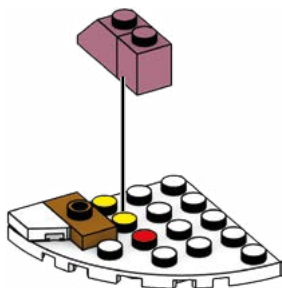

Each sold separately and subject to availability.

## BUILDING TIP

When attaching the bench roof, make sure to fasten it securely with two hands, pushing down firmly to connect it to the two posts. Nice job. Now Mia can take a break on this cozy seat!

## BUILDING TIP

To build the hockey net, connect the post pieces together one at a time. Match the pieces up and insert the connector rods to connect them together. Way to hustle!

## BUILDING TIP

Add the mesh to the net by lining up its three holes with the three pegs on the back of the net. Hold the mesh in place over one of the pegs, and place a cap over the peg to secure the mesh. Repeat for the other two pegs. She shoots. She scores!
