Disney
100

For a century, Disney movie magic has captured generations of fans worldwide. Join us in celebrating four trail-blazing, animated heroes who each made Disney™ history.

OSWALD THE LUCKY RABBIT

This peppy little prankster's talent for thinking on his (lucky) feet always gets him out of comical predicaments. Oswald tackles every tricky situation with (sometimes unwarranted) confidence and a savvy sense of humor. Oswald first debuted in *Trolley Troubles* in 1927 and was featured in 25 theatrical cartoons. In 1928, rights were acquired by Universal Studios and Walt Disney was forced to explore new directions.

"Oswald will not only be able to hold his own with competition, but will set a pace that will make the others hustle."

- Walt Disney

Disney
100

Depuis un siècle, la magie des films Disney a conquis des générations d'amateurs dans le monde entier. Rejoins-nous pour célébrer quatre héros animés pionniers qui ont marqué l'histoire de Disney™.

OSWALD LE LAPIN CHANCEUX

Ce joyeux petit farceur se sort toujours de situations cocasses grâce à sa capacité à réfléchir rapidement. Oswald aborde chaque situation délicate avec une assurance parfois exagérée et un sens de l'humour aiguisé. Oswald est apparu pour la première fois dans *Trolley Troubles* en 1927 et a fait partie de 25 dessins animés diffusés en salle. En 1928, les droits sont acquis par Universal Studios et Walt Disney est contraint d'explorer de nouveaux horizons.

« Oswald ne sera pas seulement capable de tenir tête à la concurrence, mais il imposera un rythme qui poussera les autres à se démener. »

- Walt Disney

Disney
100

A lo largo de todo un siglo, la magia de las películas Disney ha cautivado a generaciones de fans en todo el mundo. Acompáñanos para rendir homenaje a cuatro revolucionarios héroes animados que marcaron la historia de Disney™.

OSWALD, EL CONEJO AFORTUNADO

El talento de este pequeño y vivaracho bromista para pensar a su (afortunada) manera siempre lo saca de cómicos apuros. Oswald aborda cualquier situación, por complicada que sea, con confianza (a veces injustificada) y un astuto sentido del humor. Luego de debutar en *Trolley Troubles* en 1927, apareció en 25 películas de dibujos animados. En 1928, sus derechos fueron adquiridos por Universal Studios y Walt Disney se vio obligado a explorar nuevas direcciones.

"Oswald no solo será capaz de enfrentar a la competencia, sino que marcará un ritmo que obligará a los demás a esforzarse".

- Walt Disney
