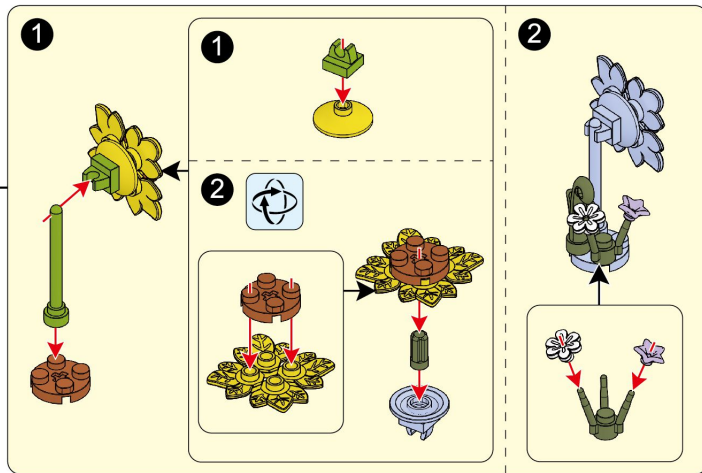

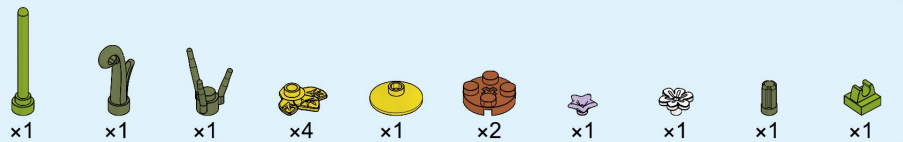

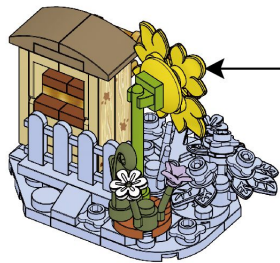

Diagram 25 illustrates the assembly of the top of the car. A brown 2x4 plate is placed on top of a yellow 1x6 brick. A black arrow points to a blue 1x6 brick with a hole, which is being placed on top of the yellow brick. A red arrow points to a brown 1x4 plate being placed on the side of the blue brick. To the right, a callout shows two ways to connect a 1x4 plate to a 1x6 brick. The top way, with a red 'X', shows the plate being placed on the side of the brick. The bottom way, with a green checkmark, shows the plate being placed on top of the brick.
